The company Siliconature S.p.A. declares the following:

List of substances in Candidate List (SVHC)

Siliconature S.p.A. products **do not contain any of the 253 substances included in Candidate List (SVHC)** (https://echa.europa.eu/it/candidate-list-table, recently updated on February 4th, 2026) **above the 0.1% w/w.**

This declaration is implemented considering the data currently in our possession and with reference to the state-of-the-art deductible and/or explained in the Safety Data Sheets and in the declarations made available to us by the interested suppliers, and after due investigation by Siliconature S.p.A.

Concerning statements in this document, Siliconature S.p.A. does not conduct any specific analysis aimed at detecting the presence of substances in Candidate List. Any undesirable traces of other substances not mentioned may however be present.
The company Siliconature S.p.A. continues to review and use its expertise in complying with the provisions for the action plan considered by current regulation and monitor flow of information related to the REACH regulation.

This information is considered accurate and reliable as of the date appearing above and is presented in good faith. It is valid unless legal changes become effective. Because use conditions and applicable laws may differ from one location to another and may change with time, recipient is responsible for determining whether the information in this document is appropriate for recipient's use. Since Siliconature S.p.A. has no control over how this information may be ultimately used, all liability is expressly disclaimed and Siliconature S.p.A. assumes no obligation or liability, therefore.

This declaration is applicable to the products at the time of the delivery to the recipient. The recipient is responsible for the compliance of the products whether further processing is carried out.

The recipient has the final responsibility for ensuring that delivered product is handled and processed in accordance with good industrial practices and with Siliconature S.p.A. instructions and recommendations. The recipient is also responsible for verifying the suitability of the product for his own purpose through appropriate testing and analysis.

This declaration, on this subject and relating to the above-named product, replaces all previous edition.
